

REMARKS

Reconsideration of this application is respectfully requested. Claims 1-25 are in this application and are presented for the Examiner's consideration in view of the following comments.

No amendments have been made to the claims.

The specification has been corrected to correctly show a reference to FIGs. 8 and 9 in the "Brief Description of the Drawings of the Specification". No new matter has been added (e.g., see Applicants' specification, p. 11, Ins. 4-30). This amendment to the specification removes the inconsistency between the specification and the drawing.

As it is believed that all of the rejections set forth in the Notice have been fully met, favorable reconsideration and allowance are earnestly solicited. If, however, for any reason the Examiner does not believe that such action can be taken at this time, it is respectfully requested that the Examiner telephone Applicant's attorney in order to overcome any additional objections that the Examiner might have.

If there are any additional charges in connection with this requested amendment, the Examiner is authorized to charge Deposit Account No. 07-0832 therefor.

Respectfully submitted
Todd Martin Beazley
